We will explore basic approaches to social screening and divesting that will enable each of us to achieve profitable investment earnings compatible with our social values. Our panel of experts is composed of:

- **Todd Trubey**, Vice President, Portfolio Strategies, at *Ariel Capital Management* and a member of its Investment Committee.
- **Bill Rosenfeld**, a Director and Treasurer of the *Massachusetts Coalition to Save Darfur* and Co-Founder and National Outreach Director of *Investors Against Genocide*.
- **John H. Biebel, Esq.**, Director of Client Management at *Calibre Advisory Services*.
- **Irit Tamir**, Director of Government Affairs at the *Jewish Community Relations Council of Greater Boston* and co-leader of the successful lobbying effort to pass the Sudan divestment bill in Massachusetts.

A question-and-answer period will follow the panel discussion.
